Subject: Our stay Saturday 6h February

To all the staff at The Old Ginn House

Thank you for a marvellous stay the night of 6th February.

We had the Courtyard Suite and it was wonderful - so comfortable and pleasant. We had an excellent meal in the restaurant and our breakfast was also good. The staff were all courteous, pleasant and efficient.

We came up to Workington to see the football - we support Solihull Moors (a West Midlands team) and they were playing Workington on Saturday. It was a long drive but well worth it for the stay in the hotel (but not the football - Solihull lost!).

If both teams are still in the same division next year we will do the same fixture and will be sure to book in to stay with you again.

We will recommend your hotel to friends and family.

Thank you once again

Rosemary and Andy Worsley
